

2021 TRAINING & CONSIGNMENT

Megan and her program have advanced many young horses and ponies from starting level to winning champions at the shows. She will customize a training program for your horse or pony utilizing groundwork, flatwork including dressage and jumping. She works all training horses 5-6 days per week.

Megan excels in finish riding, and helps each horse develop their jumping and flatwork skills to perfection. She also utilizes her extensive horsemanship knowledge for training on the ground and all aspects of handling in and out of the barn.
